California Coalition for Behavioral Health

March 12, 2025

The Honorable Senator Alex Padilla
United States Senate
Washington D.C.
Via FAX: 202-224–2200
Via Email: joshua_esquivel@padilla.senate.gov

Dear Senator Padilla,

It is urgent that California's representatives understand the impact of cuts being considered in Congress that will result in higher financial costs to individuals, families and local communities as services, clinics, and hospitals close.

The attached fact sheet provides important data to guide budget decisions, and **we urge you to share this fact sheet with your Congressional colleagues from California.**

Sincerely,

Theresa Comstock, President
CA Coalition for Behavioral Health (CCBH)
